

A Heartfelt Thank You from the “Let’s Build Together” Gala

The Italian American Cultural Society extends its sincerest gratitude to everyone who made our “Let’s Build Together” Gala a night to remember. Thanks to our wonderful guests, generous supporters, and dedicated sponsors, the evening was not only a beautiful celebration of culture and community—it was also a powerful step toward building our future together.

Your presence and contributions directly support our mission of preserving Italian heritage, fostering cultural education, and constructing a new home for

generations to come. Whether you joined us for the music, the food, the auction, or the cause—we are truly grateful for your role in this journey.

To our sponsors: your commitment and generosity helped bring this event to life. To our volunteers and staff: your tireless work behind the scenes made everything run seamlessly. And to our guests: your energy and enthusiasm filled the room with warmth and hope.

Together, we are laying the foundation for something incredible. Grazie di cuore!
